6th International Conference on Computational and Experimental Science and Engineering

PARTICIPATION DOCUMENT

Foudil SAHNOUNE

has participated to “6th International Conference on Computational and Experimental Science and Engineering (ICCESSEN-2019)” held on October 23 - 27, 2019 in Antalya, TURKEY.

Title: Phase Transformation and Sintering of Mullite Powder Synthesized via Sol-Gel Process Using Differential Thermal Analysis (DTA) and Dilatometry (D).

Co-authors: Smail Lamara, Djaida Redaoui, Nouari Saheb, Menad Heraiz and Djamel Allali

Prof. Dr. *iskender AKKURT*

Chair and Organizer
Conference Chair
