6th International Conference on Computational and Experimental Science and Engineering

PARTICIPATION DOCUMENT

Djamel ALLALI

has participated to “6th International Conference on Computational and Experimental Science and Engineering (ICCESSEN-2019)” held on October 23 - 27, 2019 in Antalya, TURKEY.

*Title: Thermoelectric Properties of the LiZnX (X =P, As and Sb) filled-tetrahedral compounds:
An ab initio FP-LAPW study.*

Co-authors: Foudil Sahnoune, Fares Zerarga, Abdelmajid Bouhemadou, Khadija Boudiaf

Prof. Dr. İskender AKKURT

Prof. Dr. İskender AKKURT
Chair and Organizer
International Conference on
Computational and Experimental
Science and Engineering
