5th International Conference on Computational and Experimental Science and Engineering

PARTICIPATION DOCUMENT

Fares ZERARGA

has participated to “5th International Conference on Computational and Experimental Science and Engineering (ICCESEN-2018)” held on October 12 - 16, 2018 in Antalya,

TURKEY

Title: Structural, elastic and thermodynamic properties of the GeB_2O_4 ($B = Mg, Zn$ and Cd) cubic spinels: An ab initio FP-LAPW study

Co-authors : Abdelmadjid Bouhemadou and Djamel Allali

Prof. Dr. İskender AKKURT
Chair and Organizer
of ICCESEN

Prof. Dr. İskender AKKURT
Conference Chair
