

Sous le Haut Patronage de Sa Majesté Le Roi Mohammed VI

Ecole Royale de l'Air

**International Conference on Modeling and Simulation
General Applications and Models in Engineering Science
(ICMS'2005) Marrakech, Morocco, 22, 23, 24 November 2005**

Organized by

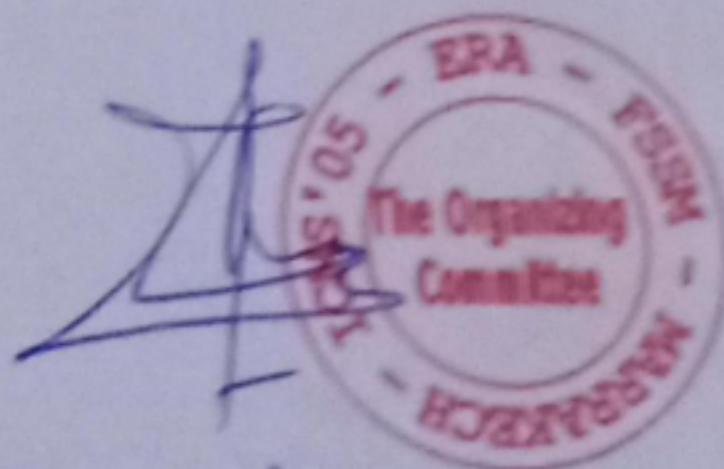

**Faculty of Sciences Semlalia, University Cadi Ayyad
And
L'Ecole Royale de l'Air**

The Organizing Committee of the ICMS'2005 International Conference on Modeling and Simulation certifies that the paper:

**Physical Properties in MESFETs by Using the PHS Model
Kebaili F., Marir B.E and Marir M.**

has been presented at the work sessions of the ICMS'2005 International Conference on Modeling and Simulation held in Marrakech, Morocco, November 22-24, 2005.

Marrakech, November 24, 2005

**A. OULAD SAÏD
Organizing Committee**
