

**International Symposium on
Computational and Experimental Investigations
of Fluid and Structure Dynamics (CEFSO'2015)
March 16-18, 2015, Hammamet, TUNISIA**

Certification of Paper Presentation

This is to certify that **Mr. BAKRI BADIS** has participated at the International Symposium on Computational and Experimental Investigations of Fluid and Structure Dynamics (CEFSO'2015) from 16 to 18th March 2015 in Hammamet, TUNISIA and presented a paper.

Title: CFD simulation of the aerodynamic structure in a parallélépipède building

Author(s): BAKRI BADIS

Professor Mohamed Salah ABID
CEFSO 2015 Chair
