

The Fifth International Conference on Electrical
Engineering and Control Applications
ICEECA'2022 <https://iceeca.org/>

PARTICIPATION CERTIFICATE

This is to certify that **Bilal Djamel Eddine Cherif**, attended the **Fifth International Conference on Electrical Engineering and Control Applications ICEECA'2022**, held at the University of Khenchela, Algeria on November 15-17th, 2022 and presented in oral session a paper entitled :

Detection and Localization of Phase Insulation Fault in a Set Inverter-Induction Motor

Authors : Bilal Djamel Eddine Cherif (University of M'sila); Sara Seninete (university of Mostaganem); hilal RAHALI (University of m'sila); mostefa tabbakh (University of M'sila)*

The conference is organized by the **University of Abbes Laghrou of Khenchela**, and sponsored by **Springer**.

Algeria, Khenchela: November 17th, 2022
