

META 2021 in Warsaw – Poland

The 11th International Conference on Metamaterials, Photonic Crystals and Plasmonics

July 23, 2021

Attendance Certificate

This letter certifies that **Mounir Bouras** participated in META 2021, the 11th International Conference on Metamaterials, Photonic Crystals and Plasmonics held on-line, during July 20 – 23, 2021.

Co-authors : **Dermeche Nassim, Ahmed Kahlouche, Abdesselam Hocini.**

Presented paper :

– Boosting Faraday rotation in a one-dimensional coupled resonator magnetoplasmonic structure made by silica matrix doped with magnetic nanoparticles.
