

Department of science *Physics in cooperation*

With the *Laboratory of Mathematics and*

Applied Physics

The 1st National Conference on Physics and it's Applications

THIS IS TO CERTIFY THAT

BENGUESMIA Hani

Has made **Poster** presentation Titled:

“Numerical Simulation Using Comsol Multiphysics of The Electric Field and the Potential Distributions in Heterogeneous Cavities in High Voltage Cables”

In this national conference held at Higher Normal School of Bousaada,Algeria,

(NCPA2023) 02 December 2023.

Co-author : **Badis Bakri, Nassima M'ziou.**

General Chair of NCPA2023
