

Setif 1 University-Ferhat ABBAS, ALGERIA

Faculty of Technology

Department of Processes Engineering

The Second International Conference on Electrochemical Sciences and Technology

Certificate of Participation "ICEST 2024"

This is to certify that

Mohamed Amine GHEBOULI

has successfully participated in the

The 2nd International Conference on Electrochemical, Sciences and Technology (ICEST 2024)

Held from May 7 to 9, 2024, at Sétif1 University-Ferhat ABBAS, Algeria.

With a poster entitled

Structural stability, opto-electronic, magnetic and thermoelectric properties of Half-metallic ferromagnets quaternary Heusler alloys CoFeXAs (X = Mn, Cr and V)

Co-authors: Karim BOUFERRACHE, Hassene BENAMRANI, Brahim GHEBOULI

Scientific committee Chair

Pr. Ahmed ZOUAOU

Organizing committee Chair

Dr. Nadjib CHAFAI
