

The Second International Conference on Electrochemical Sciences and Technology

Setif 1 University-Ferhat ABBAS, ALGERIA

Faculty of Technology

Department of Processes Engineering

Certificate of Participation "ICEST 2024"

This is to certify that

Soheyb KHADRAOUI

has successfully participated in the

The 2nd International Conference on Electrochemical, Sciences and Technology (ICEST 2024)

Held from May 7 to 9, 2024, at Setif1 University-Ferhat ABBAS, Algeria.

With a poster entitled

Improving the conductivity of a pvdf membrane for use in PbO₂-Zn dual-electrolyte battery

Co-authors: Noufel Kamel and Telli Laid

Scientific committee Chair

Pr. Ahmed ZOUGAOUI

Organizing committee Chair

Dr. Nadjib CHAFAI
