1st International Hybrid Seminar:
Green Chemistry and Artificial Intelligence: Towards Molecular Design (GCAITMD'25)

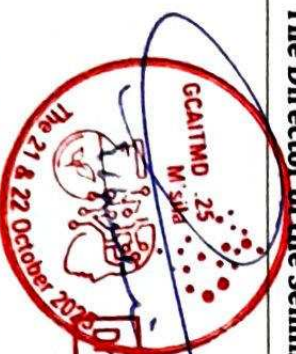

Certificate of Appreciation

Prof. Mokhtar DJEHICHE

Inorganic Materials Laboratory, Faculty of Sciences, University of M'sila- Algeria.

Has been recognized for his outstanding contribution as a Plenary Speaker at the 1st International Hybrid Seminar "Green Chemistry and Artificial Intelligence: Towards Molecular Design" held from **October 21st to 22nd, 2025 (GCAITMD'25)**, at the University of M'sila, Algeria. **Prof. Mokhtar DJEHICHE** delivered a distinguished presentation entitled: "Applications de l'énergie solaire thermique à la dépollution de l'eau et des sols." In acknowledgment of his insightful presentation, exceptional engagement, and significant contribution to the success of the event, the Organizing Committee expresses its deepest appreciation for the excellence, expertise, and inspiration shared with all participants.

The Director of the Seminar

BOULEGHELEM Hocine

Dean of the Faculty of Sciences
